All –

Please find attached a new incoming letter (AL-14-000-5546) from Rep. Ron Barber on behalf of one of his constituents, Mr. Chuck Martin, regarding Rosemont. I am preparing a Congressional yellow folder and will deliver it to Jeanne Geselbracht once finalized.

Due Date for Response: A final signed response to this letter by the Regional Administrator is due on March 7, 2014.

Please note that the incoming letter and attachments total 62 pages in length, so I am only printing out for the Congressional yellow folder the first 8 pages of the file that includes the letter from Rep. Barber and letter addressed to the Forest Service. Please be sure to review the entire attached file so you will see everything that came in as attachments to Rep. Barber's letter.

Please give me a call if you have any questions or need any additional information.
